If you are a regular "chip forgetter" Please buy your own chip and never take it off your bike so you don't have to ever rent again. [BUY YOUR OWN NEW CHIP HERE...](#)

If you forget to return your timing chip at the end of the event you MUST mail your timing chip back.

You MUST mail your timing chip back IN A PADDED ENVELOPE or box to:

TOPVIEW SPORTS
1475 Bob Patton Rd.
Clarkesville, GA 30523

If you attempt to return a chip in a standard business envelope with paper wrapped around it, the post office will process the envelope as a flat item and the chip will be pushed out the end of the envelope and we will receive an empty envelope. An empty envelope is a lost chip and you will be charged \$100 for us to replace the chip with Race Result.

1. The onsite rental fee is a charge not a deposit. This is why and how we encourage riders to own their own chips.
2. Topview Sports leases the chips from Race Result.
3. No, you can't keep the rental chip you forgot to return and just pay the difference as the chips are leased. Additionally, the chips are rentals that have been used a bunch and have less battery than a nice new one would.
4. We will scan the chips on the day after each event to determine the non-returned chips. Once we identify the names of the riders who used those chips they will be notified via email, phone, text, FB Message, smoke signals etc. Upon contact the rider will have 7 days to return the chip to Topview Sports offices.
5. If the chip does not arrive in 7 days from contact, then the rider's credit card that was left on file as collateral for the rental will be charged \$200.
6. If you lost the chip and it can't be returned you will be refunded \$100.
7. When the timing chip is finally returned the riders card will be refunded for \$175. The \$25 charge covers hassle, costs and time involved in numbers 1-5 above.
8. No, you cannot bring the chip to the next race. We need them back in office before the next race so please be proactive and mail them back as instructed above.

Bib numbers will be available at registration the morning of each day of racing.

PLEASE NOTE: Racers should keep their number all weekend and not expect different numbers per day through registration.
